ABSTRACT (250 word minimum, attach separate sheet if necessary). Provide a succinct summary of the proposed research. Proposals are to focus on research concerning the building enclosure, its components, and/or materials; research that benefits the practice of IIBEC building enclosure consultants and/or observers; or research that advances the knowledge of the building enclosure and its components in the built environment. Proposals should clearly delineate which of these objectives are to be met, as well as state the product(s) to be presented to the Foundation on the completion of the project.

NOTE: Requests that do not contain an Abstract that meets these requirements will be considered incomplete and will not be considered by the Foundation Board
